It has been 89 years since Salonpas® was first launched in Japan and 85 years since it was first exported to overseas. This recognition of being the world’s No.1 Brand for seventh consecutive years would not have been possible without the valuable, ongoing support of the company’s many customers and stakeholders.

Since its 1847 founding in Tashiro (then Hizen-Tashiro) area of Tosu, Saga, Hisamitsu Pharmaceutical has been continuing to deliver high-quality pharmaceutical products including Salonpas® through subsidiaries, sales offices, and production sites located in Japan and other countries under the spirit of "The Customer-first Principle”, and we will strive to deliver a better QOL to the world.
